p	t	r	n	o	v	a	m	b	r	u	l	r	u	e	m	a	r	t	t	e	g
e	y	c	o	m	j	a	n	u	e	y	i	t	r	b	r	y	e	a	d	r	c

Winter	Autumn	Summer	Spring

2. Read the paragraph.

This is Sam. She is a 6th grade student at center secondary school. She was born on the second of May in 2002. She gets up at seven o'clock. She has breakfast at half past seven. She brushes her teeth, gets dressed and goes to school at eight o'clock.

She attends her first class at half past eight. She has got six classes in a day. She has lunch at half past twelve. After school, she attends a folk dance course on Monday and Wednesday. She comes back from school at quarter past five. She rests for a while.

She has dinner at seven o'clock with her family. She does her homeworks at half past eight. She surfs on the net at quarter to ten. At the end of the day, she goes to bed at half past ten p.m.

a. Complete the chart according to the paragraph above.

Time									
Activity									

b. Answer the questions according to the paragraph.

1. When is Sam's Birthday?
2. What time does she get up?
3. On which days does she attend a folk dance course?
4. How long does it take to surf on the net for Sam?
5. When does she rest?
