1) Read the text messages and answer the question.

Below is a text message of Abigail. She is inviting her classmates to her party.

Hi, guys! What's up? I'm having a fancy dress party at my house next Sunday. Would you like to join me?

Abigail

A fancy dress party? That sounds awesome. I'll be there.

Philip

Thanks for inviting but I have some other plans. Maybe another time.

Jane

Why not? I'm sure we'll have great fun.

Candice

That's very kind of you, but we are going to visit our grandparents at the weekend.

Mert

Yeah, of course. I have nothing to do all weekend.

Susan

2) Michael is always online. He is called as nerd among his friends. He's keen on computer technologies, so he can't live any moment without them. His number one activity is playing online games and then shopping online. He generally buys computer parts and technology items. Besides these, watching online movies comes. He doesn't prefer watch them on TV, because internet offers unlimited options to him, but TV doesn't. As a result of these, he doesn't hang out with his friends much. Being alone looks more preferable.

Read the paragraph above, and answer the question.

Which question isn't answered in the text?

- A) How often does Michael spend his time with his friends?
- B) What does he think about his life in the future?
- C) How does Michael use his time?
- D) What are Michael's favourite things that he does?
