1. Mandy is looking out of the window. The weather is great. Some people are at the park. A little girl is feeding the birds. There is a man. He is selling colourful balloons. A woman is walking her dog. Two friends are riding their bikes. A father and his son are flying a kite.

Which picture is ODD according to the text?

2.

Yuki

I like living downtown. I can't live uptown. I think it is very boring. There are a lot of things to do and lots of places to go in downtown area. The flats are also more comfortable. What's your idea?

Ezgi

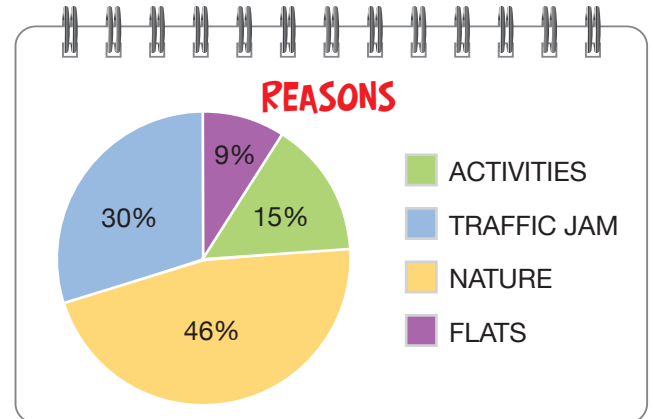

Yuki

I think living uptown is a good idea because there is no traffic and it is a cheaper place to live. There are more green areas to go for a walk. I think these things make uptown life more exciting.

Which of the following completes the dialogue?

- A) Why do you like uptown so much
- B) Do you prefer living in uptown or downtown
- C) Do you share your flat with someone
- D) Why is living in downtown a bad idea

3. The graph below shows why people prefer living in a small town.

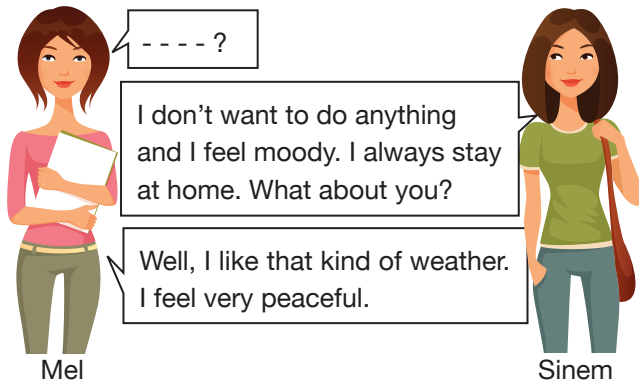

Which of the following IS NOT correct according to the graph?

- A) Some people believe that the flats are nicer in small towns.
- B) Nearly half of the people prefer small towns because of nature.
- C) Most of the people think there are traffic jams in small towns.
- D) 15% of the people say there are a lot of activities to do.
