Jiro

Hiking is so much fun! I walk in dark forests and on snowy mountains. I look around and enjoy the beauty of the nature. My feet don't get hurt because I wear special trainers.

Naomi

I love moving in the sea. I feel the water around me and it's great. I do it everyday. The water is usually cold in my city but my swimsuit keeps me warm. The water is full of interesting fish. Their light hurts the eye but I have my diving equipment with me and they keep me safe.
