Dear Diary,

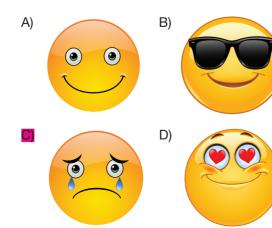

It's my last day in the world. People can't live here anymore. It is too dirty. We are going to another galaxy. I'm looking at the world one last time now. It's July, but the weather is freezing and foggy again. I wear a brown hat and a coat. I feel anxious and depressed. I'm not excited. I don't want to go to another galaxy, but what can I do?
