

Reading

Hi! I'm Melinda Watsons. I'm a party organizer. I organize graduation parties for students, their parents and their teachers. It's easy to organize a graduation party. First, you should choose the party location. Second, you should prepare a guest list and send the invitation cards. Then, you should decorate the place. You need a lot of confetti, party hats and balloons for the decoration. Also, you should prepare lots of food and beverages. The graduation cake is also very important. It should be fancy. Finally, you should wrap the graduation gifts. All students really enjoy these parties and they have so much fun.

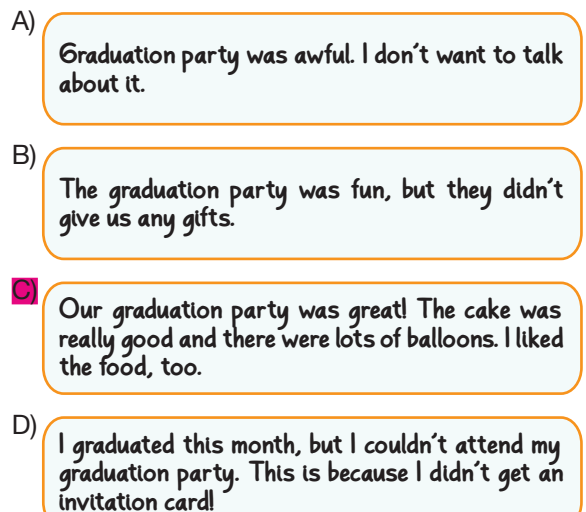

2. Rita and Fred are organizing a graduation party with Melinda Watsons. What will they do last?

3. Which of the following shows the meaning of the underlined word in text?

4. Which of the following can be a comment on Melinda Watson's webpage?

Test

1. Which of the following CANNOT be a guest at one of Melinda's parties next month?
