EXERCISE 1: Read the text, cut the gifts and stick them next to the correct family member. (Metni okuyalım, hediyeleri keselim ve doğru aile üyesinin yanına yapıştıralım.)

Hi! My name is George. I'm twenty years old. I have got gifts for my family members. A blue notebook for my brother and a red notebook for my sister. A television for my mother and a radio for my father. A cake for my grandmother and twelve pens for my grandfather. A microphone for my uncle, a chess board for my aunt and balloons for my cousins.
