GRAMMAR

Past simple

- Students practise the past simple in the affirmative and the negative, and in questions.

Used to

- Students learn how to talk about past habits.

LESSON OBJECTIVES

Students discuss paintings and famous painters.

Students test their knowledge of the artworks discussed.

Students categorise different art forms and discuss new ones.

Students listen in order to write questions.

Students listen to teenagers talking about their past habits and their new hobbies.

Students read about different artists and complete sentences about them.

Students read a text about a famous artist and complete a fact file.

Students write sentences about past habits.
