**Answer the questions 6-7 according to the survey below**

**YouTube, Instagram and Snapchat are the most popular online platforms among teens**

*% of U.S. teens who ...*

According to a new Pew Research Center survey, Facebook was the most popular social network site among America's youth – but it is no longer the most popular online platform among teens.

Today, about half (51%) of U.S. teens ages 13 to 17 say they use Facebook, less than YouTube, Instagram or Snapchat.

This shift in teens' social media use is just one example of how the technology landscape for young people changed since 2014-2015.

Teens describe that effect of social media as positive (31%) or negative (24%), but the largest share (48%) says that effect has been neither positive nor negative since they prefer face to face communication more.
