10.-12. sorular verilen metne göre cevaplandırılacaktır.

My name is Elizabeth. I'm fourteen years old and I'm British. I live in Canada with my family. I have got three brothers. My mother and my father work at the hospital. They are doctors. My elder brother's name is Kurt. He is a student at the university. He loves listening to jazz music and playing computer games. But I don't like it. I prefer cycling to playing computer games. My twin brothers are ten years old. They look like each other but their likes and dislikes are different. Jack loves drawing pictures, but Joe prefers playing basketball to drawing pictures. Sometimes, I help them do their homework because they are bad at solving math problems. As a family, we always help each other.

11. According to text, Elizabeth---

- A) can't stand listening to music.
- B) lives in Britain.
- C) has got twin brothers.
- D) is ten years old.

12. According to text, Kurt ---.

- A) works at the hospital as a doctor.
- B) prefers drawing pictures to computer games.
- C) loves solving math problems.
- D) is interested in jazz music.

13. According to text, which one is false?

- A) Kurt is Elizabeth's elder brother.
- B) Her parents are doctors.
- C) Elizabeth and her family never help each other.
- D) Jack and Joe need help to solve problems.
