#### Dialogue

**Melissa:** Hey, Tony! Which one do you prefer? Countryside or historic sites?

**Tony:** I prefer historic sites. Assos is my favourite one. I went to Çanakkale to see Assos last summer.

**Melissa:** What do you think about Çanakkale? How did you find it?

**Tony:** It was incredible. It's truly an ancient city.

**Melissa:** Where did you visit there?

**Tony:** I visited Assos Ancient City, Çanakkale Martyr's Memorial, Trojan Horse, Çanakkale Clock Tower and Gallipoli Peninsula. I have never seen such a splendid place. To me, everybody should definitely go there.
