parrot

cow

#### Dialogue

**Dad:** Look, Lindsey! There are a lot of animals here.

**Lindsey:** Oh, yes. They are pretty, dad. What is the vet doing?

**Dad:** He is examining the horse.

**Lindsey:** Can I feed the birds, dad?

**Dad:** Well, not right now. They are eating seed at the moment.

**Lindsey:** Look, dad! The puppies are playing with the ball. They look funny.

**Dad:** That's right and the kitten is climbing the tree.

**Lindsey:** Oh, yes. It looks lovely. What is the girl doing?

**Dad:** She is feeding the rabbits. Would you like to help her?

**Lindsey:** Of course, dad.
