Hello Olivia,

At our home, we share our responsibilities and help each other. I'm responsible for taking our dog, Lucky, for a walk. I don't like working in the garden, but my father does. He loves gardening, so he sweeps the leaves in the garden and mows the lawn. My mother is a doctor, so she is really busy to take care of her patients. But she loves cooking. Therefore, she always prepares the meals for us. My sister, Kara, always helps my mother in the kitchen and she usually sets the table for dinner. I think sharing chores is important to make life easier for all of us. What about you? What are your responsibilities in your family?

Love, David.
